## HELP! OCCASIONAL CHURCH CLEANING, CAN YOU HELP?

Occasional help with church cleaning would be very much appreciated. There is no need to be a regular church-goer but simply to appreciate our beautiful church, and it really isn't onerous, just once or twice a year. If you could spare a little time, to work in a team, please contact Rosemary Duckett on *rkduckett@gmail.com*.

## HENLEY FESTIVAL

In case you are not aware, Remenham residents are entitled to an RG9 Residents Season Ticket to the Henley Festival. This is for General Admission tickets, with access to the Festival site though no admittance to the Floating Stage area for the concert. It costs £99 for 4 nights (Thursday 7 July, 2016 to Sunday 10 July, 2016) compared with the full price of £140.

See [www.henley-festival.co.uk/](http://www.henley-festival.co.uk/)

## EDITORIAL

*As you can see, we have introduced some colour into the newsletter in this issue - which is not as simple as it may sound and has necessitated some changes to the usual order of pages. (For printing purposes the pages with colour need to be on the same sheet of paper, and for this first 'trial issue' the colour pages are on the centre pages.) I have also had the problem of one page too many so decided to leave out the index (and see if anyone commented or minded!). Please let me know if you have any views on these changes, and if you like the colour send me some photographs of village activities!*

*The principal purpose of my editorial - when I leave myself any space to write much! - is to highlight some of the important things that have happened and will be happening in the near future, and there seem to be a large number of these. We have had a very busy and successful month or two, in particular with the first Remenham Beetle Drive proving an outstandingly enjoyable evening, and also the most successful outing to the Thenford Arboretum, organised by RAG. (See the write-ups of both these for further details.) There has also been the churchyard clean-up, the Henley Boat races and the Annual Parochial Church Meeting, and there is a lot more to come - both the customary activities of the summer, the Regatta and Festival in particular, and the addition of a village picnic to celebrate Her Majesty the Queen's 90th birthday. We do things like this extremely well in Remenham so please do come, it will be great fun. It is for everyone, all ages - furniture, music and a glass of fizz provided, just ring your own picnic. We also have the Annual Parish Meeting very soon when residents get together with the Parish Council - another excuse for a glass of something! Two other matters to bring to your attention are the Neighbourhood Plan Questionnaire (see below) and the vacancy for a Parish Councillor (see advertisement on the website - [www.remenhamparish.org.uk/](http://www.remenhamparish.org.uk/) - and on the notice board by the Parish Hall).*

*Last but not least, if you're not yet in the habit of looking at the parish website on a regular basis, please do - it has to be one of the best parish websites anywhere - and keep sending in information and photographs- it really is a case of the more the merrier.*

*Felicity, [newsletter@remenhamparish.org.uk](mailto:newsletter@remenhamparish.org.uk)*

### NEIGHBOURHOOD PLAN QUESTIONNAIRE

A draft of the Neighbourhood Plan was initially presented at the Village Meeting on 2nd December 2014. It is intended that everyone in the village will have the opportunity for input to the plan and as a next step a Questionnaire has been drafted that it is hoped everyone in the village (residents and businesses) will complete. **This is available on line at [www.surveymonkey.co.uk/r/remenham](http://www.surveymonkey.co.uk/r/remenham).** (If you click on the link on the parish website - [www.remenhamparish.org.uk/](http://www.remenhamparish.org.uk/) and scroll down the Home page - it will take you straight to the survey without needing to type in this survey address.) It is designed to be completed on line, and it is very straightforward, but a paper copy will willingly be provided – please telephone/email (01491) 575321/[newsletter@remenhamparish.org.uk](mailto:newsletter@remenhamparish.org.uk). The questionnaire will be available on line until 31 May ONLY, and paper copies should also be completed by that date. It can be completed anonymously if you wish.

## FROM THE RECTORY

Preparations for the Regatta seem, at the time of writing, to be going apace. It is of course really the Remenham Regatta, as nothing takes place on the Buckinghamshire/Oxfordshire side of the River (excluding of course the spectators at Phyllis Court!).

A little known fact about our ecclesiastical parish – I am the only incumbent in the diocese whose parishes spread across all three counties; this is because the county boundary puts Temple Island in Buckinghamshire, whereas the ecclesiastical parish boundary runs on the other side of the Island, thus incorporating it into this United Benefice!

However, enough of these ramblings! The sharp eyed amongst you might have noticed that we have a new churchwarden. John Laing has taken over from Mike Dowsett, and will now, with his fellow warden, Charlotte Every, be taking all the blame for everything! They will be ‘sworn in’ to their ancient office at the Archdeacon’s Visitation, which is this year being held at St Mary’s at 7.30pm on Wednesday, June 8th – do come along to support them.

We have been hugely fortunate in having Mike as our Warden for so long. He has seen the parish through the last interregnum and has served Remenham faithfully, both as Warden and indeed as verger, looking after the heating, and also opening up for weddings and funerals, and generally making sure that everything goes smoothly – and that no one misses the collection plate on their way out after these occasional offices!

It was my privilege to be able to propose Mike as Church Warden Emeritus at the Annual Parochial Church Meeting in April, and he was duly elected by acclamation.

He and Eileen also celebrated their Diamond Wedding Anniversary the following Thursday – so I send my, and your, thanks and congratulations to them both.

With my love and prayers,

*Fr Martyn*

## NEWS FROM ST NICHOLAS, REMENHAM

Saturday 19 March was a busy day for St Nicholas Remenham. At 10.00am a merry band of 20 or so gathered in the churchyard to carry out some external maintenance of the church and to tidy up the graveyard. It was truly a case of “many hands make light work” as a tremendous amount was achieved in two hours. Many thanks to everyone who took part, particularly the brave souls who went up ladders to clean up the gutters; to Nigel Grey who let us burn an amazing amount of garden rubbish on his bonfire and whose eyebrows got singed in the process; and to Lene de Wesseslow and Barry Rosier who came back on several occasions and have pruned all the existing roses and replaced the dead ones with new ones in memory of Clare Cridlan who lived in Remenham Farm for many years.

After the gardening was over it was time to think about the Henley Boat Races. Rosemary Duckett and her team produced a lunch in the Parish Hall for 40 Cambridge University Boat Club supporters and a team led by William and Libby Duckett manned a stall at the bottom of Old Blades garden selling tea and homemade cakes in the freezing cold. Many thanks to all those who helped on the day and who produced cakes. Despite there being far fewer people attending the races now the main Women’s Boat Races have moved to the Tideway we still raised £787 pounds for the church.

On Sunday 17 April we held our Annual Parochial Church Meeting at which Mike Dowsett retired after 15 years of being churchwarden. Our thanks go to Mike for his splendid service and we are very pleased that he will continue to act as a Verger at funerals and weddings. John Laing was elected to replace Mike.

come so we have an idea of numbers**

## BEETLE DRIVE Saturday, 23 April 2016

We are delighted to report that the Beetle Drive was a fantastic success and really good FUN. We raised an amazing total of £1003.50 towards Church and Parish Hall Funds. Thanks go to everyone who were prepared to roll a dice and draw lots and lots of beetles at breakneck speed. The Remenham competitive spirit was a sight to behold!

Also grateful thanks to Barry Rosier and George Every who ran the bar (they were busy), John Laing who transported the fish n' chips and to everyone else who contributed to the raffle and who did the setting up and clearing away. We don't want to forget anyone so won't name names.

Congratulations to the winner, Isabella Pitman and the gracious loser, Peter Grace, both exceptional in their own way.

And well done to the 51 others who came in between...keep practising and see you next time...because there will be a next time.. The Beetle Drive will be back...

*Sue Laing and Charlotte Every*

*The large picture on the wall of what we were aiming for - an essential reminder!*

## VISIT TO THENFORD HOUSE ARBORETUM AND GARDENS

The RAG Team and friends filled the coach to Lord and Lady Heseltine's and set off soon after 11am on Saturday in pouring rain, but we were mindful of the fact that the weather was set to improve precisely at 2pm when we had entry to the Thenford estate of Lord and Lady Heseltine. Our first stop was the New Inn at Middleton Cheney for lunch where the barn had been prepared for us along with two very helpful waitresses. After a few problems with computers we all got our meals and snacks and the last of us started to enjoy the grounds at 2.20pm. The sun shone and the sky was blue, and finally we were able to enjoy the elegance and beauty of the 70 acres that our hosts call home. We explored the eighteenth-century walled garden having gone through the gate where 2 elephants stand guard and you can see the aviary of birds, mostly from Australia on the far side. Next was the stunning 'Rill' with its many fountains (see picture) that cascaded with a waterfall onto 4 levels into the medieval fish pond area, the lake with its stunning sculpture of The Cormorants (see picture below). Another area was full of sculptures and for me amongst several interesting bronzes was a granite 'injured elephant'. Very sad.

As you walked around the arboretum you could see that most of the trees and shrubs were labelled. The area is looked after by 6 full time gardeners but I am told that usually there are 9. Our hosts as promised were around, see picture taken in the Walled Garden of Lord Heseltine with Linda Ashwell, the organiser of the day and leader of The RAG Team.

The final hour of the afternoon was spent dodging the showers by having tea in the magnificent Old Hall Barn which is all that remains of Thenford Hall that was partially demolished in 1760 and stands in the grounds of Thenford House.

The last visit was to the beautiful and small St Mary's Church with its hotch potch of architectural styles. It is known that this building is certainly over 700 years old and it contains the tomb of 'Fulk' who was Lord of the Manor and died in 1613. The Chancel dates from the fourteenth century, the Poor Box is considered to be fifteenth century. A parishioner, John Tooley, who has a framed plaque hanging on the wall, bequeathed four pounds yearly to the parish and to this day that investment has meant that at Christmas pensioners of the parish, widows and young people starting out on a career are all given 'a decent sum of money'. To conclude. A really interesting and memorable afternoon.

## THE RAG TEAM UPDATE

For those of you that haven't see them this is one of the beds that were planted up last autumn by the RAG Team.

We are keen to protect the grass verges where the bulbs are planted. Please let me have your ideas by email for the attention of Linda Ashwell via [hello@remenhamparish.org.uk](mailto:hello@remenhamparish.org.uk) Alternatively call 01491 41101.

An autumn planting schedule is currently being prepared with the first phase being to plant the late flowering bulbs in the verge outside Remenham House. Since this bed is at the apex of the hill the flowering season will give a longer display and can be seen by motorists approaching from both directions.

Finally the reward for our work was the trip to Lord and Lady Heseltine's arboretum on 16 April.

I do hope you will all have a lovely summer and enjoy your gardens.

## **REMENHAM PARISH COUNCIL**

### **Sue Laing**

It is with a great deal of regret that I report that Sue Laing has resigned after two years of service. She has made an enormous contribution to the Parish Council in general and the website in particular, for which I thank her. She will be missed.

### **Vacancy**

We have a vacancy. Please let me know if you would be interested in filling the vacancy. It is not onerous. We meet ten times a year on the second Tuesday evening in the month at 8pm for about an hour. All meetings of the Parish Council are open to the public. All residents are welcome to not only attend but to participate. Please if you do have a concern come along and raise it. Some think that the Parish Council is endowed with substantial powers. Many think it is stuffy and boring. None of these is the case. In most instances, we are a statutory consultee, but coupled with being the Borough Councillor, our voice is heard and influence felt. Any help in forming opinions will and is greatly appreciated. We are trying to represent residents' views not our own.

### **Polo Facility at Park Place**

The owner of Park Place has conditionally agreed to purchase the site of what would have been Malmesbury House on the A4130. This facility would include new stabling for forty horses, a practise arena, a lake and a full size match pitch.

### **Henley Swim**

The Henley Swim has applied for a license for the Saturday and Sunday on which the Festival and the Henley masters takes place. We are in the process of discussing this with them.

### **Neighbourhood Plan Questionnaire**

A substantial number of replies have been received to the neighbourhood plan questionnaire. Please help us by filling it in if you have not already. Details are on the website.

**Green Belt Review**

The Strategic Market Housing Assessment to 2036 requires Wokingham Borough (WBC) to build 850 homes per annum. To assess where they should go WBC needs to revisit its core strategy part of which will require Green Belt Review. The terms the review will use relate to The Purpose of Green Belt checking unrestricted sprawl, preventing the merging of neighbouring towns, safeguarding the countryside from encroachment, preserving historic towns and assisting in urban regeneration. Remenham Parish is divided into 4 parcels that will be considered by consultants using aerial photographs and OS maps. Each parcel will be assessed for current land use, proximity to built-up areas, degree of openness, distance/visual connection to historic urban centres and relationship to the countryside. There is obviously a risk having this review, but not having the review incurs the risk that developers can challenge the Green Belt.

**Highways Initiative**

I received some consternation that we had not consulted the good people of Aston on the questionnaire on the lanes. That is because the questionnaire sent to Remenham Lane and Remenham Church Lane residents was framed to elicit views on rat running and whether there was an easy fix within our control. The answer was that there was no consensus to any proposal and therefore extending the questionnaire was pointless. However, there is great deal of consensus on trying to reduce queues at the bridge. Darrel and I are working with OCC, SODC, Henley and Harpsden to attempt to find a better way of moving traffic through Henley and thus the bridge. Whilst this is ongoing it would be an act of bad faith to unilaterally take any action.

**Elections**

I suspect that the European Referendum, Borough Council elections and the Wokingham Borough Conservative Group elections will tend to diminish any other initiatives. Please vote; it is important.

*Chairman Remenham Parish Council*  
*Councillor Wokingham Borough Council*
