FROM THE EDITOR

After the frenetically busy last couple of months in which Remenham was invaded by many thousands of people from all over the world (but in which the traffic seemed more under control than in previous years?) the coming Autumn is very much a Remenham community one. There will shortly be the wonderful Fayre, and then the Harvest Supper, a Quiz Night (back by popular demand), the Thespians and finally the candlelit Carol Service just before Christmas. What an amazing community we are.

As always there is something for everyone at the Fayre, so get your produce entries ready, your dogs groomed and your children and grandchildren prepared for the races! Note that the produce competition includes a new category this year - poetry using the word 'Remenham', so there is now something for those with quill pens as well as those with green fingers.

You are encouraged in particular to organise your Quiz Night teams and buy your tickets for this NOW - this is always hugely popular and likely to sell-out. How noble of Nigel Gray and Anthony West to spearhead this again.

FROM THE RECTORY

Dear friends,

August is the traditional month for holidays. Spiritually it could be said to be a difficult month, with perhaps more than its share of temptations; a time of relaxation and refreshment, often of a liquid nature; a time of the shedding of inhibitions, not to mention clothes, as we head to the beaches. And yet many people will know that the roots of our word “holiday” are in the holy days of the church, days when people were relieved of the necessity of working so they could attend Mass, and when they could also take some rest and recreation. And at a deeper level, holiday is something built into the rhythm of the Christian (and Jewish) worldview, with the creation story of Genesis giving us the seventh day as a holy day, a day for worship, rest and contemplation.

Overwork is a constant temptation both within and without the church; earnest and faithful Christians are often particularly susceptible. But overwork does sometimes betray a certain lack of faith and trust in God; we can all too easily behave as if and even start seriously to think that the kingdom of God depends on us. Yes, God calls us to work, and at times to work hard, but God also calls us to rest in him. To rest in him, we need to trust in him, that through both our work and our rest, and in his own time and in his own way, God is building his kingdom.

So however and whenever we seek relaxation, rest and refreshment, let us try to turn our holidays into holy days; we will enjoy God’s good gifts of sea and sunshine, of “wine that maketh glad the heart of man, and oil to make his face to shine”, we will enjoy these good gifts aright if we humbly acknowledge the giver, and offer both our work and our rest to the one from whom all good things come.

With my prayers,

Fr Jeremy

FROM THE EDITOR *continued*

All these wonderful Remenham events do of course rely heavily on the considerable time and effort put in by the Parish Hall Committee, and you will see on page 12 a heartfelt plea for some new members. Do volunteer if you can - fun, rewarding and absolutely essential to us all!

Many thanks to Pat Sly and her team for organising the Rewind refreshments (see page 13) - a wonderful contribution to Church and Parish Hall funds.

As for the Thespians - it’s another murder mystery comedy with all the usual suspects. Do come to find out who did it!

NEWS FROM ST NICHOLAS

With the Women's and Royal Regatta, the Festival and Rewind over it has been a quiet time at St Nicholas. The Rector has been having a well-deserved holiday and we are grateful to the Chaplain of Jesus College, Oxford (our patron), Mike Forsdike, and Father Colin Bass who have come to Remenham in Father Jeremy's absence and taken our services.

We have been busy with weddings with 6 taking place since June and we are most grateful to our verger Mike Dowsett, who makes sure everything goes smoothly on the day, and to Sally-Anne Plunket who deals with the brides' flower requirements.

Remenham Church is getting modern! We are getting to grips with technology and moving into the 21st century and have bought a "Good Plate" which means we will be able to take the collection by contactless card. This will be particularly useful at weddings as very few younger people carry cash these days.

We will be holding the Harvest Supper on Friday 18 October – do put the date in your diary. Further details are elsewhere in this newsletter.

With good wishes

PARISH HALL COMMITTEE

We are a group of people who need help. After years of service to our community, both Ann Burley and Liz Cope have decided to hang up their boots and retire from the committee. We cannot thank them enough for all they have done...organising the fayres, taking minutes (Ann) and sorting out drains, electrics, pumps at the hall...so glamorous (Liz). We are asking now for others to step up to the mark and join our lovely team.

Father Jeremy is the Chair and our objective is to keep the Parish Hall maintained and available for us all. There are maintenance jobs to do all the time. The fabulous Barry Rosier has agreed to take over lots of these but we still need to arrange fundraising events on a regular basis to make sure we can cover specialists and emergencies. These events need organising. The other aspect is all about the community; we are a special village and how lovely it is to get us all together; at the Fayre, the Quiz Night, the recent Letters evening and even the Beetle Drives.

We have just 3 regular meetings a year....usually with a glass of wine - and then there are sub-committees who take on individual events. It really is great fun; so many people have done their bit in the past we now need volunteers for now.

The current committee is Father Jeremy, Nigel Gray, Charlotte Every, Allan Henderson, Jayne Gray, Helen Rosier (and Barry), Pat Sly, Sue Laing. We are missing a secretary and at least one other.

All ideas/volunteers welcome....please!

REWIND FOOD STALL IN OLD BLADES' GARDEN

17 AUGUST 2019

As in previous years, we had planned to set up the gazebos at 6.00pm the night before. However, it never stopped raining all that day so Barry and Helen Rosier, Huw Morgan and I met at 7.30am on the Saturday. Around 8.00am, Linda Ashwell joined us and was a great help in the setting up before the full team arrived at 9.00am. Thank goodness, the weather was kind for us that day.

Each two hour shift was manned by 5/6 people dealing with the selling of cakes and drinks, cooking on the barbecue, a cashier and topping up where needed.

We were very disappointed between 9.00-11.00am as there were many, many people heading along the towpath from the REWIND site towards Henley. We learned this was because the Henley pubs were opening early to supply the festival goers with a "Full English" fry-up and I am told there were queues outside The Catherine Wheel.

Throughout the day we sold only a fraction of the hot food as compared with 2017 and 2018. However, the wonderful cakes were enjoyed by all together with drinks, many taking advantage of the tables set under a long gazebo in the garden. Several people said they had visited us in previous years.

The total profit this year amounted to £521 for the Church and Parish Hall compared with around £1000 in each of the two previous years.

Thanks to everyone involved and very many thanks to all those who baked the vast array of wonderful cakes.

REMENHAM W.I.

July

Our July meeting was a surprise, as in the past we have kept out of the Remenham area, as it's a bit busy with traffic for the Regatta and the Music Festival. But with our President Daphne Austen in the chair and 19 members who managed to negotiate the vans and lorries, we had a great afternoon. There was one apology from Sue Sharp who is in Royal Berks - it was agreed to send a "get well" card. There was a ballot for 2 members to attend the Centenary tea party at Easthampstead Park on August 14th; Irene Parker, and Judy Palmer won this. The recruitment drive at Tesco's will now take place on Monday 16th July. Jim Bland has been given a copy of the Berkshire book - his knowledge of Berkshire was invaluable. We were told of the bursaries that are available for courses at Denman College, and members were encouraged to take them up. The Women's Institute have had to bring out a "Behaviour Policy" order which was read out, and all members asked to sign. It was felt it is a sad reflection on our present society that this is necessary. Berkshire Federation have produced a Berkshire badge, now on sale from H.Q. The Berkshire Centenary doll "Emily", a Victorian type knitted one. This will travel the County and be entertained by each W.I. for a few days; she comes to Remenham on the 14th August - many day outings are planned, a visit to an hygienist, a visit to the Rowing Museum, a cooking day, a craft day, a church service and a boat trip to the Rewind Festival.

Our summer tea party is at China Cottage, by kind invitation of our President on Monday 12th August. The Remenham Village Fair is on Sunday 1st at the Parish Hall and garden. Our W.I. always do the teas, members were asked for cakes and help; 18 cakes are required and 8 helpers.

As the business was finished, Jennifer Marshall-Jenkinson was introduced. She is Chairman of the England Microwaves. She does many presentations - 3 W.I.s last week, 4 cruises this year and even a presentation in Caesars Palace in Las Vegas. She has also taught Jamie Oliver and Heston Blumenthal, to name but a few. She brought 2 microwaves, beaters and ingredients to make a 3 course meal. Her starter was salmon in a teriyaki sauce with vegetable rice - she did point out that rice takes as long in a microwave as with conventional cooking. Her main was a delicious chicken in apricot sauce with a variety of vegetables, and to finish a chocolate and black cherry cake. We were all allowed to have a taste and everything was simply delicious, all cooked in a few minutes - apparently saving 20% of energy, and being much more nutritious than the old fashioned way. An amusing aside, if the country's cooks heated their Christmas puddings in microwaves rather than boiling for an hour or so, one of the country's power stations would be redundant! Most of our members who actually had microwaves only used them for heating up or defrosting, so hopefully we are all inspired to take up 21st Century cooking.

Diane Sutherland won the raffle and Carol Wissett and Jen Terry gave us a delicious tea. We all look forward to our next meeting - tea at China Cottage in August.

August

Our main August event was a delightful tea party by kind invitation of our President, Daphne Austen, to her garden. Mercifully the rain held off and members and guests enjoyed a delicious tea. There was a raffle and a Happy Birthday to Sheila, very spoiling.

Mandy Shora came to entertain us with her lovely voice singing songs from the shows. Much enjoyed by all.

Members of the W.I. Committee have been busy entertaining Berkshire's 'knitted doll,' which has been travelling round the W.I.s spending a few days with each, as part of the County's Jubilee celebrations. She has been royally entertained.

We now look forward to a craft morning at Daphne's, when we take various crafts to do and share, all very jolly with lots of chat. And also the Remenham Village Fair - at the Hall on Sunday 1st September, when the W.I. does the teas.

Our next meeting is on September 9th when Peter Lowe will tell us of his experiences of swimming the channel. This is an open meeting so all are welcome to the Remenham Village Hall for a 2.30 pm start.

I am including this flyer about the Cricket Club Sportsman's Dinner as I had half a page to fill, and in the hope that some Remenham residents would like to support it. It's also a good moment to remind people that everyone in Remenham benefits from the fact that some 12 years ago, after some huge fundraising efforts (to which many of you contributed), the Cricket Club was able to buy the freehold of the ground from Brakspear's, who were otherwise threatening to sell it off for development. This corner of the Parish is therefore protected as a beautiful green open space which we can all enjoy.

The club is one of the best in the country and deserves and needs support to continue to be so. How about a Remenham table at the dinner? Raffle and auction prizes also much appreciated. Raffle tickets available via Sue Laing or me.

REMENHAM PARISH COUNCIL

It is extraordinary how much happens now that it is difficult to keep up and report everything for Remenham and Wokingham Borough, too. My life has been very busy, due to my new responsibilities in Wokingham, but I have not forgotten Remenham priorities, which after all is the reason that I got into this in the first place. I will continue writing the Parish and Borough report for the Newsletter. There is no Parish Council Meeting in August.

EVENTS SEASON

The events season has come and gone, with few concerns reported. If you did not but meant to, please let me know of your issues. The major issue which has been reported has been noise at the Henley Festival on both sides of the river; I have taken this onboard and will seek to ameliorate it in future years.

VILLAGE SKIP

The village skip (caged vehicle) did turn up, but late in the afternoon. Paul Sermon valiantly took deposits in his own car to the recycling centre. We will try again and double our efforts for a successful collection.

HOUSING NUMBERS

Thank you all for replying to the housing consultation. The result is that 49,807 individual responses with 46,807 saying that they believe the housing numbers are too many, 2,780 disagreeing; the balance were spoilt. This is very helpful in discussions with government.

FOOD WASTE CADDIES

The food waste initiative has proved a huge success and we are now recycling 55% + from 35% prior to food waste.

LICENSING: HENLEY ROYAL REGATTA

Henley Royal Regatta's application was approved but it was accepted that they would do well to take residents' views more into account. The hearing was well attended, and our barrister, Sarah Clover, outlined the weakness in HRR's case; however, the lack of reported issues with their current license and the fact that the rowing is not a licensable event meant there were few grounds to refuse extension for the Tuesday. The hearing did spur the consideration of a cumulative impact assessment for Remenham which should allow further reaction to residents' views.

THE HENLEY FESTIVAL

It is with great sadness that Charlotte Greeves, the Managing Director, has left for pastures new; she was a great asset.

REMENHAM HILL

Further to last month's newsletter I have met with Felicity Parker (Thames Valley Police Commander for Wokingham and Bracknell), to pursue the extension of the 30mph limit to the end of the Remenham Hill settlement on the A4130 toward Hurley. RPC has recently purchased an independent traffic monitor. It is not used for traffic speed enforcement, but it does measure the number of passing vehicles and speeds. This information will be used to document conditions and excessive periods of vehicular congestion on Remenham Lane as well as other roads and make the case for highways improvements.

ASTON LANE

I have put Aston Lane as a priority for remedial action for the large holes at the side of the road and patches of water retention.

ASTON LANE FLOODING

Almost ever since I became a parish councillor we have been dealing with three areas of perennial flooding – Kenton's Lane, Culham lane and Whitehill. All these are being revisited.

LOCAL TRAFFIC CENSUS

We are continuing to gather data on traffic movements within Remenham with a local traffic census unit which we have bought. This identifies no vehicle and is only concerned with aggregate traffic numbers. All average data will be published on website. The unit will always be labelled. In the coming months, it will be tested in various locations along Remenham Highways. *(See detailed analysis on page 18.)*

LOCAL TRAFFIC CENSUS

Traffic census on single-track 10ft-wide Remenham Church Lane before (green), during (red) and after (green) HRR in July 2019

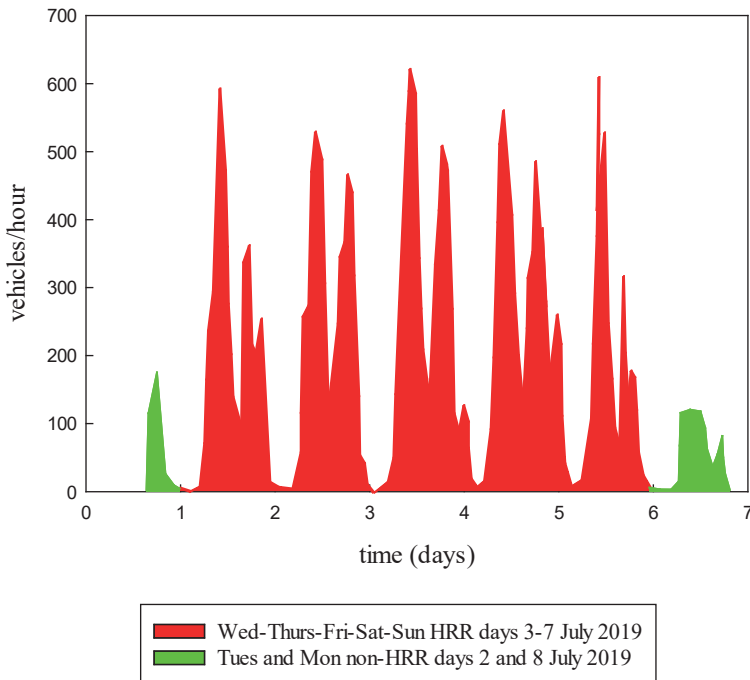

The RPC traffic monitor detected 25548 vehicles over this period. The peaks of tidal traffic flow are clearly seen (replotted versus monitoring day number – not the date) below. 6.0% of all vehicles were motorcycles, 85.8% were cars-vans and 8.2% were lorries.

At 6pm on the 2nd, 3rd, 4th, 5th, 6th, 7th and 8th July the one-way traffic flows in vehicles/hour were

- 121 (pre-regatta 2nd July; day 1)
- 207 (HRR Wed 3rd July)
- 471 (HRR Thurs 4th July)
- 516 (HRR Fri 5th July)
- 490 (HRR Sat 6th July)
- 177 (HRR Sun 7th July) and
- 43 (post-regatta Mon 8th July; day 7)

The highest traffic density was at 10am on Friday 5th July (the 3rd HRR day). This may well be close to a safe saturation level. Very slow vehicles at congested times might not be detected – so the data are possibly slightly under-estimates for HRR days.

FLY TIPPING

How to report fly tipping to Wokingham Borough Council (WBC)

There is a new way for you to report fly tipping, to give you a faster response.

If the fly-tipping or dumped rubbish is dangerous, contact WBC by phone immediately:

Monday to Friday 9am to 5pm - 0118 974 6000

Outside these hours (emergencies) - 0800 212 111

To report fly-tipping or dumped rubbish that isn't dangerous, contact WBC website and simply follow the instructions. <https://selfservice.wokingham.gov.uk/services/flytipping/>

On this page, you'll find a facility to create an online account, which will allow you to report any problem, such as potholes, flooding or rubbish collection – and then track the WBC response to your complaint.

Even if you currently have no complaint, it's a good idea to create an account, so that you are in touch with the various facilities and helplines.
