FROM THE EDITOR

The photos on the front cover remind us what a beautiful place Remenham is.

I had hoped to put together a tribute to our late Queen in this issue but unfortunately I didn't have enough contributions to do her justice - perhaps prompted by this there will be some more anecdotes for the next issue? (Thank you to our curate Romey for rising to the occasion!)

There is much to look forward to! In particular there are the traditional church services - note the Carol Service in the MORNING of Sunday 18 December - and then, in March, the return of the very popular Letters Evenings (see page 14)!!

Please see Pat's Poppy Appeal (page 7) and my pleas for articles, photos, jokes and feedback!

NEWS FROM ST NICHOLAS

Friday 30 September saw us resume our Harvest Supper in the Parish Hall for the first time since 2019. The evening was a great success with 40 people attending for a delicious supper of cottage pie and apple crumble. The hall was decorated beautifully, and the evening made over £700. Many thanks to all those who came, cooked, manned the bar, and helped clear up.

We are about to enter our busy season.

Our service on Remembrance Day (Sunday 13 November) will be conducted by the Rev Andy Cowan, curate at Holy Trinity, Henley (Fr Jeremy will be conducting the civic ceremony at Henley Town Hall) and will start at 10.55am with the Act of Remembrance at the war memorial at the back of church, and followed by sung Matins.

On Sunday 4 December, we will celebrate our patronal festival with sung Matins at 11.15am followed by drinks and nibbles in church. We will be taking a collection of food for Nomad, the food bank provider in Henley that day: tins of fruit and veg, pasta sauces, biscuits and toiletries are best - plus assortments of chocolates for Christmas please! If you don't come to church and would like to contribute anything, please leave on the pew on the left as you come in through the church doors.

Our candlelit carol service this year will take place in the morning to avoid clashing with the World Cup final! The service of nine lessons and carols will take place at 11.15am on Sunday 18 December and will be followed by mince pies and mulled wine in the Parish Hall.

If you would like to take part in the choir for the carol service, please contact John Laing (John@clearwaterbusiness.co.uk).

Our Christmas services will be a candlelit communion on Christmas Eve at 9.30pm and a children's service with Holy Communion at 11.15am on Christmas morning.

Best wishes

Charlotte Every

FROM THE RECTORY

Dear Friends,

‘And I said to the man who stood at the gate of the year, “Give me a light that I may tread safely into the unknown.” And he replied, “Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than a known way.”’

The Gate of the Year – Minnie Louise Haskins (1875-1957)

Her late Majesty, Queen Elizabeth II lived her whole life in the public gaze, as perhaps no other, and we might be forgiven for thinking there was nothing new to be learned about her, after more than 70 years as our monarch. However, reading ‘The Servant Queen, and the King she serves’, a little book which marked her 90th birthday, I discovered for the first time that it was a 13-year-old Princess Elizabeth who handed the above poem to her father, King George VI, as he prepared his Christmas broadcast in 1939 in the hopes it might be helpful. What on earth do you say to a nation that was still bearing the scars of the Great War in which more than nine million British and Commonwealth soldiers had died, a nation once more facing the loss and deprivation they knew would come? Even at that young age, amidst her many gifts, Her late Majesty was showing an unerring ability to choose words which could steady and encourage us in times of national crisis.

I had also never seen the captivating ‘home movie’ of her young self, dancing in a garden with her sister, which appeared amidst the footage in the week before her funeral. The young Princess Elizabeth is turning her head and moving her hands from side to side with such radiant gaiety and grace, clearly loving the fun of it all.

It was very telling that so much of the coverage, so intense during the days between our late Queen’s death and her remarkable funeral, drew attention to her deep faith, to how it underpinned her unwavering sense of duty and her ability to fulfil her 21st birthday promise of service to us all. She said then, “God help me to make good my vow.”

Many years later, in a Christmas message of her own, HM Queen Elizabeth II said “I know just how much I rely on my faith to guide me through the good times and the bad. Each day is a new beginning. I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings and to put my trust in God.”

Trust in God was central in shaping her life and work; her promise was kept. How blessed we were to have such a Queen. And now we pledge our support to her Son, and pray for God’s blessing on him and on his service to the nation.

Long live King Charles III.

With my prayers,

Romey

EVERY POPPY COUNTS

The British Legion 2022 Poppy Appeal begins on Friday, 27 October, until Remembrance Sunday, 13 November.

All donations raised during the Poppy Appeal help the Royal British Legion to provide life-long support to serving and ex-serving members of the British Armed Forces, their families and dependants through hardships, injuries and bereavements.

The work of the Royal British Legion is as relevant and vital today as it was in the aftermath of the First World War when the charity was founded.

Remembrance honours those who serve to defend our democratic freedoms and way of life. The Royal British Legion unites across faiths, cultures and backgrounds to remember the service and sacrifice of the Armed Forces community from Britain and the Commonwealth.

The Royal British Legion wants people of all ages to understand the importance of remembering those from the British Armed Forces who have made sacrifices defending the freedoms we enjoy.

In Remenham, red metal 2022 poppy pins, self-adhesive poppies, pin-on poppies, 15cm (6") wooden poppy crosses and large vehicle poppies may be obtained from St Nicholas Church, Whitehill Petrol Station, Whitehill Workshop, Henley Royal Regatta HQ, Leander Club, The Little Angel PH and Thamesfield Village. Alternatively, I will be happy to come to your home with a Poppy Box if you either phone me, Pat Sly, on 01491 577925 or email patsly@tinyworld.co.uk

I have Gift Aid envelopes if required and will drop one through your door if you let me know (details above) and I will call back later to collect.

This year there are no suggested donations for buying poppy items - please donate whatever you feel able.

**PLEASE WEAR YOUR POPPY WITH PRIDE KNOWING THAT YOU
ARE SUPPORTING OUR ARMED FORCES COMMUNITY.**

NOTES FROM REMENHAM PARISH COUNCIL

October 2022

Well, the rain is back with a vengeance and our summer parched gardens are lapping it up. Soon we will be wading knee deep through the fallen leaves and jointly marvelling at Mother Nature as we continue to enjoy our delightful Parish environment.

We have only had one formal meeting since the last newsletter due to a cancellation following the death of Queen Elizabeth.

Life goes on in Remenham though and a number of items are worthy of mention.

Gigaclear, the providers of future fibre broadband options for most Parishioners spoke at our last meeting. Plans are well advanced and many properties now have 'pots' in the road at their boundary to enable connection if the homeowner wishes to subscribe. Hopefully the supply will go live by the end of the year assuming final works on White Hill are completed on schedule. If you are interested to know more please register your address on the Gigaclear website and you will be advised when service is available. Several different price plans are offered. If anyone has an issue with the reinstatement of roads or verges the website allows comments to be registered.

Our last meeting received a presentation from the manager of Thamesfield residential village regarding potential future development of the property. It was agreed any proposals would go through the usual planning process.

The Council has received a response from our King's Council regarding options to best manage future licensing of events in the Parish. This is being discussed by the Council and the resident's committee in Remenham after which a management plan will be agreed.

A long list of other items on the agenda follow.

Wokingham Highways are being chased to deliver on the previously promised actions on Double white lines at Middle Culham at road and drain repairs in Aston lane. Polly Hogan is liaising with WBC on parking solutions for Ferry lane.

Darrel Poulos has agreed a plan to install a public defibrillator on Copas land near Temple island funded by RPC.

At last the Notice Board at the Parish Hall has been refurbished and will in future have a display of Council notes plus space dedicated to local activities and Parish Hall matters.

We edge forward towards the long awaited paving improvements outside the Parish Hall so readers of the notice board will no longer need Wellingtons to approach it safely!

RPC agreed to fund five days of preparatory clearance work on the Wild Trail planned for the deep verge on the Wargrave Road.

We were all somewhat surprised by the Henley Standard's scoop on a rejection of a Hydro electric power scheme on the Thames but are reassured that this was a speculative planning request from the project designers with no local sponsors.

Finally, as a Parish Council we have agreed to spend time discussing why we are here...what our priorities should be and how best to plan ahead. In other words we need a strategy. Please discuss any input you may have with your friendly local councillor to ensure we consider our constituents' views appropriately.

The next Council meeting is Monday 14th November by when we may even have a new Prime minister...but don't get me going on politics please.

REMENHAM W.I.

SEPTEMBER

The meeting started on a very sombre note as we remembered the very recent death of the Queen with a minutes silence.

Our cake stall at the Remenham Fayre was very successful and raised funds for the WI as well as a donation to the Parish of £75.00. The Book Club read for this month was "The Henna Artist" by Albi Joshi – an interesting "take" on life for women at different levels in Indian society in the city of Jaipur.

After discussion it was decided to bring the time of our meetings forward to 1.30p.m. during the winter months so that members could return home in the daylight. This will start in November and run through to March 2024.

We hope to find a team for the Berkshire Quiz night on 29th November. Always good fun. Our November meeting will be a fish and chip lunch followed by an afternoon of fun and games and in December our Christmas lunch will be held at Hennerton Golf Club.

We were pleased to welcome Annette Dolphin, Berkshire Federation Chair, to the meeting. She returned the Remenham scrapbook, a calendar of the Remenham WI year 2021 contributed to by members which had received a very favourable critique from Joyce Pack, an NFWI craft judge. She also outlined the ongoing problems with the roof of WI House at Mortimer and the considerable costs of maintaining the aging building.

Following the business several members shared favourite poems, books of interest and a variety of treasured artefacts. Keeping up with the royal theme members then chose from 4 charming drawings of the Queen and with nimble fingers and sharp scissors produced a great selection of silhouettes of the Queen to form a very satisfying collage as a reminder of the afternoon.

OCTOBER

We were a rather small (but very select!) group as many members were on holiday or struck down by a variety of illness.

We discussed the WI House Appeal, as outlined by Annette Dolphin at our last meeting and decided to send a donation of £25.00 together with our suggestions as to the future plans for WI House.

The Book Club read for October is *The Ambassadors Daughter* by Pam Jenoff – once again a women's view of life in a very different setting.

Once again members were reminded of the Christmas lunch at Hennerton Golf Club and asked to look at the menu on the notice board and make their choices. Knowl Hill WI are holding a Table Top Sale on Saturday November 12th at 12.00 Their members always support our events so it would be good if some of us could attend. Irene was able to complete the remaining hospital welcome packs and delivered 50 to the RBH where they were gratefully received. Frances Plowden won the art competition with a delightful piece of abstract art work.

The speaker, Mr Brian Graham from Rowhill Candles, had been waiting patiently during the business. He talked about the production of beeswax and how it is prepared for candlemaking. He demonstrated the rolling of candles from sheets of wax, how to insert a wick and keep the candle upright. He made it look very easy!! We were each given a pack of wax sheets in different colours with wicks. Concentration was the order of the day – not as easy as it looked- but we all produced 4 very creditable candles in various colours and design and felt pleased with ourselves. Brian brought along a lovely selection of scented candles and small items, great for Christmas gifts. (He was also very handy with the tables and chairs!)

Just a reminder that we will be having a Christmas Bring and Buy at the December meeting so items needed for this please.

REMENHAM FAYRE

The Remenham Fayre returned after an enforced 3 year absence and it was a huge success. The Parish Hall garden looked delightfully festive, the weather was much kinder than the forecast predicted and everyone stalwartly ignored the showers that never really got going.

The Dog Show, children's races and the Tug-of-War were as popular as ever, the produce and craft competition produced numerous impressive entries, those attending (more than ever before) were also able to enjoy a number of side shows, stalls and competitions and the Bar, BBQ and WI teas were frantically busy. The proceeds exceeded previous records as well, to help support our much-loved Parish Hall and garden.

Many people are to be congratulated and thanked for a wonderful afternoon. The organisers have met to discuss what went best (and not so well) in order to make it even bigger and better next year. The MC, Bill Ronald, did a fantastic job without a PA system but we have promised him there will be one next year!! You can be sure that there will be some wonderful additions and changes next year, especially for the children.

The organisers were out of practice and were also missing some key people from previous years, so unfortunately we failed to keep the usual record of all the winners of the produce show, dog show and various competitions. If I can track these down to report in the next issue of this newsletter then I shall do so - please send me any information that you have.

Many thanks to Matt Hobbs for the lovely photos.

A TOUCH OF HUMOUR

MATT

*Don't bother, they're
blowing themselves up'*

A captain notices a light in the distance, on a collision course with his ship.
He turns on his signal lamp and sends, "Change your course, 10 degrees west."
The light signals back, "Change yours, 10 degrees east."
The captain gets a little annoyed. He signals, "I'm a US Navy captain. You must change your course, sir."
The light signals back, "I'm a Seaman First Class. You must change your course, sir."
Now the captain is mad. He signals, "I'm an aircraft carrier. I'm not changing my course."
The light signals back a final message: "I'm a lighthouse. Your call."

RECRUITMENT OF PROJECT DEVELOPMENT OFFICER

Connecting Communities in Berkshire (CCB) is recruiting for a Project Development Officer. The role offers flexible working: a part-time role of 17.5 hours per week, a salary of £24k to £28k pro-rata and the opportunity to steer the development of the role.

CCB is an independent charity that has been focused on developing strong communities in Berkshire for nearly 50 years. Our team is dedicated to achieving our vision for all communities in Berkshire to be strong, resilient, sustainable and able to take control of their own futures. We are looking for the next member of our highly committed team.

This autumn we commence an ambitious 5-year project to transform rural community buildings and to help those responsible for them to realise their ambitions. Our new Rural Hubs – 21st Century Halls project uses audits of halls to enable volunteers to prioritise changes they want to make. By implementing the projects in their action plans, halls will become more attractive, comfortable, sustainable venues for the community to use; offer more activities; reach more people in the community; reduce loneliness and isolation and become the vibrant heart of their community.

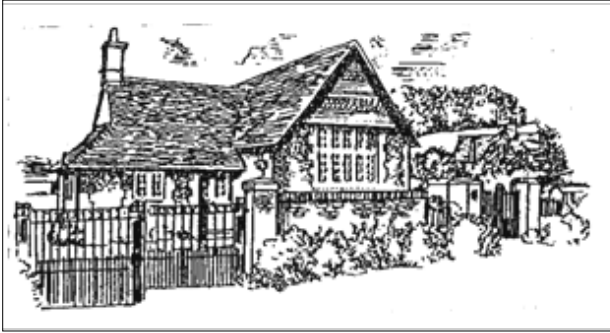

CCB's new Project Development Officer will play a leading role in supporting the implementation of the action plans created following completion of an audit. But that's not all. CCB's own sustainability is dependent on the development of new high-quality projects and services. Achieving this is central to this new role.

Our ideal candidate is passionate about improving the quality of life in Berkshire's rural communities. They are confident, patient and interested in developing strong and mutually supportive relationships. They will have strong research skills and experience of writing successful funding bids. They will provide a first-rate service, continually developing their skills and being enthusiastic ambassadors of village halls and rural community development in general. As this role will involve regular travel in rural areas, they will have a full UK driving license and access to a car. Further details can be found on our website: www.cberks.org.uk or call us on 0118 612000 if you wish to be posted details of the role. Deadline for applications is Friday 25th November.
