

# WE NEED YOUR HELP NOW!

Plans issued by the Government could mean more than an additional **25,000** homes being built in the borough every 15 years – that is not far off a whole new town the size of Woodley and Earley combined.

Last summer, you told us **12,500** new homes were too many. Now the Government wants to double that!

# WE NEED YOUR HELP NOW!

The Government wants to set a mandatory requirement of **more than 1,600 new homes** per year for Wokingham Borough – that is more than double the previous figure that **47,000** of our residents objected to last year.

Since 2006, nearly **10,000** new homes have been built in Wokingham Borough, an average of **700** new homes each year. We believe we are more than doing our bit to provide the homes people need.
