## **FROM THE EDITOR**

*I am writing this in the middle of Henley Royal Regatta, with all the fun and traffic that it brings! The lovely weather is a bonus.*

*We are so good at Parish parties! The Coronation picnic was fabulous, well done to all, especially so soon after the Jubilee celebrations - and we are now planning the Village Fayre at the beginning of September, a wonderful annual event for all the family. Please see page 16 for more details, including the fact that the childrens' Fancy Dress competition is making a welcome return.*

*An important message in this issue is that our wonderful Litter Picker, Parish Hall cleaner and talented artist, Steve Allender, has moved away. We urgently need to replace him - please see page 11 for more details. He has also contributed a number of excellent pieces of art for us over the years and I need our talented Remenham artists to supply some more - mainly for the front covers of future issues.*

*Don't forget that all the email addresses including in this newsletter are 'live' so if you'd like to send messages (eg offers of help for the Fayre to Janette) you simply need to click on them.*

## REMENHAM CORONATION CELEBRATIONS

After several months of planning, the Remenham coronation celebrations kicked off with the Copas Partnership very kindly delivering the tables and benches down to the Parish Hall on the fine and sunny Thursday before the coronation.

Coronation day itself was very wet and dismal but a jolly crowd gathered down at the hall in the late afternoon to put up gazebos and bunting etc and soon, despite the rain, it all looked very festive, and fingers were crossed for better weather on Sunday.

On Sunday, the weather perked up as did the Committee's mood, and preparations continued for our celebration lunch. The tables were laid, the bar set up, Kelly Cleaver delivered her magnificent cake which she had managed to finish the night before despite a power cut meaning she had to use someone else's oven to cook it! And the fabulous raffle prizes were set out.

At 1.00pm guests started to arrive – there was an excellent turn out of over 175 Remenham residents and regular St Nicholas churchgoers.

Every guest was given a complimentary glass of champagne and the Rector, Father Jeremy, opened proceedings with a short speech and proposed a toast to His Majesty the King and then everyone tucked into their picnics. Music was provided by Adam Isaac, Willow Murdoch-Cope won the children's fancy dress and Pat Sly the best homemade crown competition. Each child under sixteen was presented with a party bag which included a bespoke Remenham coronation mug, some puzzles and some special Remenham seeds. The bar did a brisk trade, and a thoroughly good time was had by all.

Although the Coronation party was not primarily a fund-raising event, any profits are to go towards replacing the tumbledown shed in the front of the Hall garden with a bigger and better storage facility so new groups, eg a baby and toddler group can keep their equipment at the Hall. This will be known as the King Charles III Shed! We are happy to report that with proceeds from the bar, raffle, sale of mugs and some generous donations, the KC3 Shed fund now stands at £5,100. If anyone would like to buy one of Remenham coronation mugs, they are still available from Sue Laing at £5.00 each ([suelaing@homefarmemail.co.uk](mailto:suelaing@homefarmemail.co.uk)).

Our grateful thanks to all those who came; to David Morgan for running the bar, to the Copas Partnership for providing the tables, to Kelly Clever for making the cake and to Tina Jacobs for making a gluten free cake; to Matt Fletcher-Hobbs for designing the mug; to all those who helped set up and take down; and to those who gave raffle prizes.

## FROM THE RECTORY

Dear Remenham friends,

Over the Sundays of the summer and into the autumn, our Old Testament readings in church will mostly be from the books of Genesis and Exodus, dealing with the great arc of narrative that begins with the stories of Abraham, moving through Isaac, Jacob and Esau, Joseph and his brothers, and continuing with the story of slavery in Egypt, and the Exodus and journey to the Promised Land.

It's immediately apparent when reading these passages that a very great gulf separates us from their historical context, in terms of technology, economy, culture and values. And yet, the stories often feel weirdly contemporary. To give one obvious example, reading the stories of Abraham, a nomadic pastoralist herding his substantial flocks through the land of Canaan, and occasionally coming into conflict with the more settled communities of that land, it's hard not to see an odd echo in the great flocks of visitors crowding into our little corner of the Thames valley! Interesting too are the family dramas that we find in these ancient stories: the contexts may be very different, but the essential subject matter of sibling rivalries and the challenges of "blended families" remain a pretty constant feature of human life through the ages.

People sometimes dismiss religion on the basis that it is outdated: "How can you take guidance from texts that are thousands of years old?" is a question that we are often asked. I would throw the question right back: "Why wouldn't you want pay serious attention to the cumulative experience and reflection of the human race over the past few thousand years?" The Christian tradition, and the even more ancient Jewish tradition that it sprung from, offers immensely rich resources for thinking about life and relationships and politics and love and justice and more, worked over through the centuries by many great minds in many different economic and cultural contexts.

One important Old Testament theme is that of God's care for the marginalised and the poor. In our locality, we now have the Henley Churches Debt Centre which seeks to put this biblical teaching into practice. On Sunday 9th July we welcome Debbie Bruwer, the Debt Centre Manager, as our preacher at St Nicholas Remenham (at 11.15am as usual). There is more information about this on the next page of this issue; it goes without saying that everyone is welcome to come and hear about her work.

With my prayers,

*Fr Jeremy*

**Note from the Editor:** *Debbie's visit to St Nicholas on the Sunday after Henley Royal Regatta is very timely, as her previous claim to fame was in rowing - see next page for her incredible rowing achievements.*

## **DEBBIE BRUWER FROM HENLEY CHURCHES DEBT CENTRE PREACHING AT ST NICHOLAS REMENHAM, SUNDAY 9th JULY AT 11.15am**

In September last year, the Henley Churches Debt Centre was launched. Initially backed by St Mary's, Henley Baptist Church, Christ Church URC and Trinity at Four, the Debt Centre is a part of the national Christians Against Poverty (CAP) charity, and seeks to help people in the local area struggling to deal with unmanageable debt. Rather than paying off people's debts for them, CAP uses their trusted status with lenders to renegotiate debts and repayments; alongside that, pastoral support is offered to people through befrienders linked to local churches.

Since the launch of the Henley Churches Debt Centre, other churches in the area have decided to support the scheme by committing to regular donations, St Nicholas Remenham among them.

The Debt Centre has quickly expanded its work to include life skills courses and a job club.

Debbie Bruwer (née Flood), the Debt Centre Manager, will be visiting St Nicholas Remenham on Sunday 9th July at 11.15am to preach at Holy Communion, and to talk to parishioners after the service. Donations will be invited to support the work of Christians Against Poverty, and there are also local volunteering roles available.

Everyone is welcome to come along to St Nicholas Church on Sunday 9th July at 11.15am, and it would be lovely to see lots of parishioners there to find out more about the work of this exciting new charitable endeavour in our community, and perhaps even to get involved.

### **The Revd Jeremy Tayler**

#### **Debbie Bruwer (Flood)**

Debbie has represented Great Britain on numerous occasions, first winning a Bronze medal at the 1998 Junior World Championships in the double sculls, followed by two Gold medals at the World Under 23 Championships; one in the double sculls in 1999 and one in the single sculls in 2000. She won Silver medals in the quadruple sculls at both the Athens 2004 and the Beijing 2008 Olympics, and won Gold at the 2006, 2007 and 2010 World Championships, again in the quadruple sculls. She was the first female captain of the Leander Club and in 2020 was elected as a Steward of Henley Royal Regatta.

## NEWS FROM ST NICHOLAS

Dear All,

I must start by thanking Charlotte Every for her outstanding contribution as Churchwarden at St Nicholas for so many years. Charlotte is still very much part of St Nicholas and we are grateful that she is remaining as a Sidesman and a member of the PCC. And also a big thank you to all those who contributed so generously to her collection which meant we could buy her a lovely gold cross and necklace and some (very important) John Lewis vouchers!

I was duly elected Churchwarden at the Annual Parochial Church Meeting in April together with the members of the PCC and Parish Hall sub-committee. These are all listed in another part of the newsletter.

As a reminder, as in previous years the church will be closed during the Henley Regatta week and there is no service at St Nicholas on Sunday 2nd July. St Mary's in Henley will be holding the traditional Regatta service at 9.30am that day and all are welcome.

Two more dates your diary; firstly, the Harvest Supper will take place on **Friday 29th September**. This is for all of the parish, and everyone is welcome. Charlotte Every and Sue Laing are organising, and will no doubt be in touch with the details nearer the date, and secondly, it is Father Jeremy's fifth year anniversary in charge of St Nicholas and St Mary's on **Sunday 25th September** and so we are planning a special celebratory service at St Nicholas at 10.30am with both the St Nicholas and St Mary's congregations, followed by drinks and nibbles, again all welcome.

## VACANCIES

### REMENHAM PARISH AND PARISH HALL

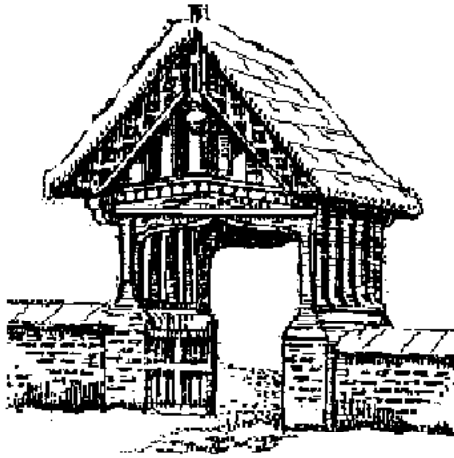

As mentioned on page 13, following the retirement of Steve Allender we need a **LITTER PICKER**. Steve also leaves a vacancy for a **PARISH HALL CLEANER**. Both these are paid positions. If you are interested or have any suggestions, please contact us as soon as possible.

**HANDY MAN/HANDY WOMAN:** Could you advise on the repairs and maintenance the Hall needs, do some of the minor tasks yourself and also arrange for and supervise the more major tasks? In the past we have been lucky enough to have someone in the Parish who could attend to the odd minor problem or repair. A volunteer of this sort would be ideal - let us know! - or if you are someone who would be interested in quoting for the more major jobs please contact us.

## NOTES FROM REMENHAM PARISH COUNCIL

### June 2023

So that is us nearly at the half way mark as I prepare another update from RPC.

June has burst out all over, courtesy of many days of warm, near Mediterranean climate. Our gardens are now of course crying out for rain (are we Brits never content with the weather?) and the weather app says it's on its way by the end of this month. Fingers crossed that its arrival doesn't interrupt the enjoyment of the Regatta or Festival for the thousands of visitors who briefly join us in our special Parish over the two busy weeks ahead.

I think we should be proud to have such eminent events on our doorstep notwithstanding the occasional traffic imposition accompanying them.

Clearly the most significant piece of news is that after close to four years of persistent effort the new block paving in front of the Parish Hall is finally laid and muddy puddles are banished to history. Big thanks are due to Paul Sermon, our Parish clerk, who has tenaciously battled to deliver the completed project. The end result looks super so big thanks also to Oscar Sly for completing the job so professionally.

Another long term challenge for your council has been to keep up to date on Gigaclear progress. I spoke with their build team again today and am advised that supply delivery is imminent. If you are interested please log your details on the Gigaclear website.

***The wonderful block paving - at last***

We have had several discussions in council regarding the speed signs on White Hill. It appears the power supply has mysteriously been cut and yet again we have asked Paul to pounce and find a reconnection solution which seems to be on its way. Hopefully we will be able to thank sensible motorists for driving safely through our Parish.

As you finish your second custard cream with coffee whilst devouring the newsletter let me also flag the vacancy we have for a litter picker following the retirement of Steve Allender after several years of excellent service. Steve had the joy of walking the Parish with his litter picking kit and receiving some pocket money by way of recompense for his time. If you or anyone you know would like to help keep our community pristine please let me or another councillor know. From teenagers through to octogenarians...all applicants will be welcomed!

Our June Parish meeting noted that our auditors had approved the accounts for the last financial year and I can report that we retain appropriate funds to keep supporting the environment around us.

Rewind festival looms ahead in August and it was noted that the organisers had not yet engaged with residents as promised. Steps are being taken to ensure the event honours its obligations under its licence. Please record and report any potential infringements you spot.

Finally, a well done to the Parish Hall committee for arranging a very successful Coronation party in the gardens ( Charles..we couldn't have done it without you ) Energised by that success the Hall committee are now busy creating plans for this year's Remenham Fayre on Sunday 3rd September.

**One of the new signs in Ferry Lane**

Do enjoy the rest of the Summer and those chilled bottles of Rosé.

## REMENHAM W.I.

### MAY

Remenham WI enjoyed another busy meeting when they met in May. Judy Palmer gave a report following the Thames Group Meeting, for which Remenham provided the delicious cakes and pastries. The speaker was Bob Sinfield, who gave an entertaining talk of his work as a journalist/writer for TV stars and comedians.

Details were given for the forthcoming Stella Austin Trophy Competition and the Golden Jubilee Cup Competition.

The next meeting of the Book Club was held at the end of the month when the next book up for discussion will be *The Keeper of Stories* by Sally Page.

Members also congratulated Frances Plowman, Anne Francis and Judy Palmer for creating some amazing knitted figures from the Coronation.

The speakers at this meeting were Julia Hardy and her colleague Paul, both local magistrates. Julia explained how all the magistrates are volunteers and deal with about 94% of all criminal cases each year. Julia went on to explain what magistrates do, how the courts work and the options they have for dealing with offenders. This inside look at what happens on a daily basis was extremely interesting and led to many questions from the floor.

This was followed by a special champagne tea and birthday cake for Enid Light who had recently celebrated a very special birthday.

The raffle was won by Judy Palmer.

## JUNE

It was good to see many members at our June meeting. Reports were given from the NFWI conference in Cardiff and the result of the vote on the Resolution was also given, 84% in favour of Cleaner River Water and Bathing Areas.

After the business of the day, it was a pleasure to welcome Tim Valentine for the afternoon. With the sun shining, it was the perfect afternoon to sit back, relax and listen to the music that Tim presented, He played a wide range of music from musicals, in addition to well-known numbers covering several decades. The tunes were interspersed with stories and facts about the music. More favourites were requested and everyone left after a delicious tea, still humming the songs!

The Book Club met again, this time to discuss *The Keeper of Stories*, which led to personal stories being related by members and it was decided that we did all have a story to tell! It was a fascinating afternoon! The next book for discussion will be *The Proxy Bride* by Zoe Boccabella.

Several members have also met at the Kiln Ceramic Cafe, when two relaxing hours were spent painting a variety of pottery ware. The collection of these, when fired, will be eagerly anticipated! This was followed by lunch at Cafe Rouge.

Caroline Leeming and Frances Plowman attended the Cockpole Green WI Garden Party.

If you are interested in joining this active group, please call Daphne on 07919 358979.

# REMENHAM VILLAGE FAYRE SAVE THE DATE

Returning this year on Sunday 3rd September. As well as the usual much loved stalls, this year will see the return of the childrens' Fancy Dress Competition (theme to be announced!).

The Parish Hall Committee is at the planning stages of this joyous village annual event (see photos on next page) and would be grateful for your help with any of the following:

- Offers of assistance with judging the produce & arts competitions and Fancy Dress
- Offers to be the official photographer
- Start gathering bottles for the tombola (in date only please)
- Offers from anyone to be a local collector for the tombola as some of Remenham is uncovered (Wargrave Road and Remenhill Hill and possibly also parts of Aston)
- Please start gathering bric and brac in anticipation of further notice from Pat
- Set aside any "regifts" for prizes for the ubiquitous raffle. Would be good to have some childrens' prizes too
- Your time on Saturday 2nd Sept (probably mid morning) to help with the set-up, especially those who know how to erect a gazebo!! Please pop a place holder in your diaries for now pending confirmation of the time
- Offers to help with the dismantling of and putting away the gazebos, bunting and doing the dishes at the end of the day
- Offers to distribute flyers for the Fayre as not all of the Remenham community is on this Newsletter distribution and we want everyone in Remenham to know you are very much welcome whether a stalwart or a new face

For many years, we have used the same design to advertise the Village Fayre.

It would be great if any of you (of any age) would have a go at creating a new one. Not a formal competition but any offers of creativity would be gratefully received. Please send them to Janette Brown.

Full details will be published in the August Newsletter though that will only be a week or so before the event so look out for other Flash News items between now and then.

## Private Client Lawyers for you and your family

“An outstanding niche private client firm...its practitioners are recommended as experts in their field, providing high-quality advice...its client service is second to none and every client is valued equally and treated with sensitivity and genuine compassion.”

We provide expert advice from Wills, trust, charity and tax Solicitors and advisors. Whilst inheritance tax is an issue for most of our clients, we are also experts in advising on other potential threats to the family and its wealth, such as mental incapacity and divorce of children. We are exceptionally sensitive to clients' needs and take the time to understand their individual circumstances and priorities. As a result, our clients benefit from technically outstanding, bespoke advice which is explained clearly and in a straightforward manner. This allows clients to put in place the best arrangements for themselves and their families.

To help you review your current position we are happy to provide a free, no obligation one-hour consultation.
