## WARNING - DANGEROUS BEND!

The sharp bend in Remenham Lane as you approach White Hill is narrow and dangerous, as we saw when a vehicle drove into the side of The Little Angel at high speed last Sunday.

Ted Docherty the landlord said it was “miraculous” that his staff escaped without serious injuries after the car crashed into the kitchen wall in the middle of dinner service, tearing a hole in the side of the Grade II listed building. All the equipment on one side of the kitchen concertinaed across to the other side. Five staff members were inside at the time and one suffered minor injuries.

This was not only a dreadful shock for the Little Angel kitchen staff, but was hugely inconvenient as the kitchen had to be shut the next day at short notice to customers. A temporary stud wall was built to allow the kitchen to keep running while the hole was patched up. Workmen were on the site until 1.30am on Monday morning, making sure the roof was structurally sound. The pub managed to re-open in time for dinner service that day.

For the full Henley Standard report see [www.henleystandard.co.uk/news/henley-on-thames/701920/pub-staff-in-miracle-escape-as-car-hits-wall.html](http://www.henleystandard.co.uk/news/henley-on-thames/701920/pub-staff-in-miracle-escape-as-car-hits-wall.html)

As a gesture of support a Little Angel advertisement is included in this newsletter free of charge! Parishioners are urged to visit this lovely recently renovated pub, for a warm welcome and delicious food and drink.

**PLEASE slow down as you approach this dangerous bend. There is hardly enough room for two cars to pass, and there is no time to slow down EVEN IF you are keeping to the far-too-high speed limit.**

## A New Chapter

**This summer, The Little Angel found new hands and a fresh start. We've lit the fires, lifted the menu and brought back the warmth.**

If you haven't visited in a while, come see what's new.  
A warm welcome is waiting...

## Remenham Village Fayre: A Community Success

The annual Remenham Village Fayre, held at the Parish Hall on the afternoon of Sunday, September 7th, proved to be a resounding success, bringing the community together for an afternoon of fun and fundraising.

The weather held up for most of the event, with only a few light spots of rain appearing towards the very end, which did little to dampen spirits. The atmosphere was notably vibrant, thanks to an exceptionally high turnout of children and young families, giving the Fayre a lively feel.

The sheer number of children led to some impromptu fun! We had to run two sack races because we didn't have enough sacks for everyone who wanted to join in the traditional favourite. Children also enthusiastically participated in a silent dancing competition and various stalls & activities, including crown making and a subsequent parade to show off their crowns.

The ever-popular Dog Show was, as usual, well-attended and enjoyed by participants and spectators alike. The categories included the hotly contested 'fastest sausage catcher,' as well as 'best trick,' 'most fabulous fella,' and 'loveliest lady.' The show was smoothly and kindly run by Carol Crowdy and her team at Woofits Walkies.

The competitive spirit was strong in the annual Produce & Arts competition, with several talented locals taking home prizes:

*With thanks for the photographs to Franky Cookson.*

- Kelly Cleaver successfully held onto the Fruit & Vegetables cup for the second year in a row.
- Madeline Duffy won the prize for Floral Displays.
- Ann Burley was victorious in the Baking & Cooking category.
- Mya Binney took home the cup for Arts & Crafts.

The Fayre welcomed some exciting new additions to the stall lineup this year, including a presence from the Henley Literary Festival. There were also new craft stalls run by two talented Henley mums: Charlotte Wolfe and Katie Waggett. Inside the Parish Hall, local Remenham artists Allan Henderson and Jenny Law displayed some of their impressive work for visitors to admire.

The day concluded with a fiercely competitive tug of war, wrapping up what was an immensely successful event overall. Approximately £3,000 was raised for the Parish Hall, ensuring the community space can continue to thrive.

## REMENHAM PARISH WALK, 11 OCTOBER

On Saturday 11 October a parish walk took place in Remenham to raise funds for the running of Remenham Parish Hall, a much used and loved community asset for Remenham.

There were two walks: a longer walk of six miles for the heartier walker and a shorter one of two miles for the less hearty and the small children. Both walks started off by going up the river to Leander and then through the woods to Remenham Church Lane and then diverged either to return to the Hall for the shorter walk or on via Aston Lane, through the Culham Estate to Aston and back to Remenham.

Thirty people took part varying in age from 18 months to over 80 accompanied by numerous dogs. The walk finished in the hall where the walkers enjoyed a lunch of homemade soup and bread and cheese.

The event raised in excess of £1,000.

## REMENHAM HARVEST SUPPER

There was a record number of attendees at the Remenham Harvest Supper on Friday 17 October – 54 in all. The hall looked fabulous with long tables adorned with colourful

napkins, seasonal flowers and night lights. A delicious supper of homemade cottage pie and apple crumble (washed down with a glass of wine!) was much enjoyed.

Many thanks to all who provided pies and crumbles; helped run the bar, serve, clear up, wash up and put everything away. The evening was a very jolly community event and raised £1,096 for St Nicholas.

## NEWS FROM ST NICHOLAS

Another busy time for St Nicholas this Autumn. As you will read in other articles, we had two very successful and fun fundraising events: the Parish Walk and the Harvest Supper. These were well attended (I think the Harvest Supper beat all records!) and a huge thank you to Sue (Laing), Charlotte (Every) and Jacky (Ronald) for organising.

We celebrated Harvest Festival with a service in church with some magnificent flower arrangements. A big thank you to all our flower arrangers. Also thank you for all the donations of food which have been gratefully received by the Nomad Henley Food Bank.

Our Remembrance Sunday service was taken by Canon David Pritchard and the Roll of Honour and Exhortation was read by Captain George Searle, a relatively new resident to the parish, and we thank them for making it a special service. The collection was donated to the Royal British Legion.

December is always a busy month in church and details of all our Services are shown elsewhere in this Newsletter. Please note that we will be celebrating our Patronal Festival at this Sunday's Matins Service on 7th December, at 11:15am. We will be serving drinks and nibbles at the back of the church after the service. On Sunday 21st December at 4.00pm we will be holding our Carol Service followed by Mulled wine and Mince pies in the Parish Hall.

Look forward to seeing you over the Christmas period and to wish you a Happy Christmas!

## FROM THE RECTOR

Dear Remenham friends,

This coming Sunday being the Sunday nearest St Nicholas' Day (6th December), we celebrate our Patronal Festival, with drinks in church after Matins. Everyone is welcome.

The precise origins of our parish church, and its dedication to St Nicholas, are lost in the mists of time. All we know for certain is that a church was recorded at Remenham in the Domesday Book, so its origins are Norman or earlier.

The origins of the cult of St Nicholas are a little less obscure: we know that he was the Bishop of the city of Myra in what is now Turkey, although at that time it was a Greek-speaking community. He lived in the fourth century. The reliability of the many and various stories associated with St Nicholas is uncertain, but there is a definite consistency in the picture of the character that emerges from these stories: generosity and compassion for those in need or trouble, and especially for children.

But how did this saint, who lived his life on the sunny slopes of the south coast of Asia Minor, come to be the patron of our lovely albeit rather cold and damp parish?

Nicholas was a hugely popular saint in medieval England. A quick search on google maps identifies many churches dedicated to him in our locality: Rotherfield Greys, Ibstone, Hurst, Earley, Britwell Salome... He seems to have come over with the Normans.

As the patron saint of sailors, he is often associated with ports – both Liverpool and Bristol have historic parish churches dedicated to him. But we're quite a long way from the sea!

His patronage of merchants seems unlikely to connect him with our rural parish church.

I will not besmirch the reputation of previous generations of Remenhamites by suggesting that it is in connection with his patronage of repentant thieves that our church is dedicated to him!

I would like to think that it was rather St Nicholas' association with generosity and compassion that led our medieval predecessors to adopt him as their patron: as we come to celebrate St Nicholas Day, may we too seek to live in a spirit of generosity and compassion.

Wishing you all a very happy Christmas when it comes – if I don't see you in person!

*Fr Jeremy*

## NOTES FROM REMENHAM PARISH COUNCIL

### December 2025

It is the season of goodwill to all and fresh from a double Nativity performance this very morning featuring a 4 and six year old grandchild, my cup runneth over. I believe we are now officially permitted to wish each other a Happy Christmas, so please do your very best to have one. It is a lovely time of year to be in Remenham and I recommend dragging yourself away from the log fire to meet your fellow residents at the St Nicholas Carol Service on Sunday 21st December. ( timings elsewhere in this newsletter ) The world of course could always be a happier place but my advice is to focus on yourself family and friends and forget the other miseries.

My goodness, I nearly missed my rant re the weather. The leaves are just about all down and there is a seasonally appropriate nip in the air. A very bold mole has chosen to violate my front lawn which sadly means my goodwill cup is running low as far as he / she is concerned. But our Parish , as ever, lifts the soul, whenever a patch of blue sky scuds past. If you are able, do get your stout footwear on and head out for a healthy stroll.

***This should now be a thing of the past***

Hopefully the lanes, paths and towpaths will be litter free and if not do your best and bring a bit home to dispose of. Your Parish council has recently upped its game on litter bins so you won't have to walk too far to find one. Particularly helpful for dog walkers the vast majority of whom clear up as society expects. Thank you to everyone who does their bit to keep this Remenham Parish so well presented.

Recent Parish meetings have covered familiar ground on planning, traffic, waste and environmental concerns. Our trusty clerk, Paul Sermon has been assiduously following up on action points on our behalf. We have approved the purchase of multiple vehicle monitoring devices so we have the necessary data to manage traffic appropriately around event management. Your chair and deputy chair had a constructive meeting with The Copas Partnership to share thoughts on how best to balance their commercial objectives with the quiet enjoyment needs of local parishioners. With goodwill on all sides we can I believe work together in a mutually acceptable way.

The much heralded Cumulative Impact Assessment consultative document remains awaited from WBC planning.

We are still moving ahead to spend the CIL ( community infrastructure levies) as required by WBC. Sadly, there is a sense of Groundhog Day as approved projects such as the Aston slipway reinstatement await the benign river conditions necessary to implement the work. Keep your fingers crossed for spring.

Wokingham Highways continue to disappoint us in terms of responsiveness to requests. We will keep pressing for better support on drainage and highway matters. Those of you who dare to drive down Aston Lane will be familiar with its blocked drain and crumbling road surface at the midway point. Please feel free to report your observations on the WBC highways website. The more submissions we make the more likely we are to receive solutions. We have a similar concern with a drain at the bottom of White Hill.

***Unfortunately this is still a thing  
of the present***

You may have noticed building work commenced on the Cottage between Leander and Henley Bridge recently. It was discovered that tree root activity had resulted in the wall next to the pavement being at risk of collapse. Once again, quick intervention from RPC, in the shape of Paul Sermon meant WBC and Oxford district council agreed to a remediation plan for the wall, and a temporary solution to keep the footpath open.

With Christmas a mere three weeks away please remain healthy, happy, and as prosperous as our politicians permit!

September

The month started with several of the members manning the tea and cake stall at Remenham Church Fayre. The rain held off and there was a steady stream of customers buying slices of the delicious cakes made by members and of course accompanied by countless cups of tea. A donation of £100 will be made to the Church funds from this event.

***Meetings at 2.30pm on the  
second Monday of each month  
at the Parish Hall. All welcome,  
so do come along***

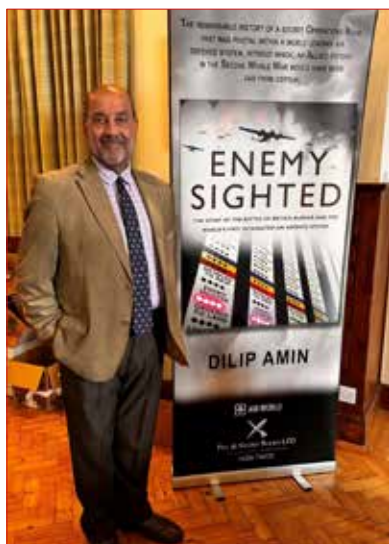

At their meeting the next day, the group welcomed Dilip Amin, who talked passionately about the Battle of Britain Bunker. His talk about this secret operations room in a bunker at Uxbridge was accompanied by a range of fascinating and pertinent slides to illustrate his talk. In a darkened room in Remenham Hall, the atmosphere took on the feelings of a wartime blackout and it felt as though we were in the bunker as reports of enemy sightings were received and routes were plotted on the maps as commands were given for attack! It was a fascinating afternoon and thoroughly enjoyed by all present.

The afternoon finished with another delightful tea and with Rosemary winning the raffle.

Several members met again a few days later for an informal tea gathering with Frances Plowman graciously hosting the event. There was a delightfully relaxed atmosphere with scones and cake and the range of conversations was immeasurable and it was amazing how much we found to talk about again!

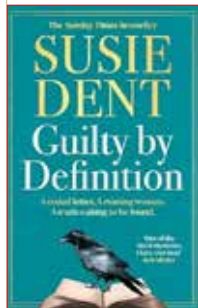

The Book Club met again at the end of the month to discuss their latest read, *A Dog Named Boo* by Lisa Edwards. This is a true story about a dog who was the dunce of the obedience classes but who was able to change countless lives through his work as a therapy dog.

## October

The plans for Remenham's Christmas Lunch are now well under way as are the plans for their Musical Theatre afternoon in November. Members are being encouraged to continue their knitting for the Alexander Devine charity.

The Book Club met to discuss their latest choice, *Guilty by Definition* by Susie Dent. This is a murder mystery set in Oxford; the disappearance of a sister, an anonymous letter and a team of lexicographers determined to solve the worded clues, all make for an interesting read. Positive comments were received about the familiar area and the challenges of the words at the beginnings of the chapters were much enjoyed.

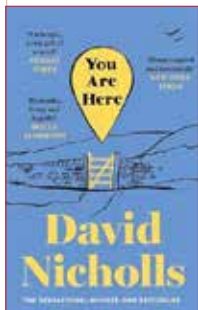

John Kinory was the guest speaker at the October meeting, to talk about his experiences as a film extra. His very interesting talk was interspersed with slides of "behind the scenes" views of "extras" waiting for their turn to go on! It seems that there is a lot of waiting while mixing with the stars and it became quite a challenge to name the films from some very different angles. Although the life could be appealing to some it was agreed that it was more comfortable to get involved by seeing the film at a cinema and nobody opted to go for a screen test!

## November

This month our members attended a film afternoon in the Parish Hall. Before the film started, the audience watched the rather dubious production of two (faintly) recognizable television advertisements. The members then enjoyed watching the musical *Joseph and the Amazing Technicolor Dreamcoat*. This was an interesting version of the story, with amongst others, Donny Osmond, Richard Attenborough, Joan Collins and Christopher Biggins taking the main roles. The well-known music was much enjoyed on a rather grey afternoon, as were the ice-creams which were distributed during the film. The tea afterwards took on shades of a cinema with hot dogs and fruit jelly cups!

Tickets and transport have now all been arranged for the forthcoming trip to *My Fair Lady* at the Mill Theatre, Sonning.

The Book Club met again and after their usual chatter in front of the fire, discussed their latest book, *You Are Here*, by David Nicholls, which was a Sunday Times bestseller. This is a comic fiction of a grown-up love story, balancing absurdity and sadness, as a party of walkers set out on a hike of several days across northern England. Readers can enjoy the rain and shine with the backdrop of England's lakes and fells.

## **REMENHAM HISTORY WEEKEND PARISH HALL - WEEKEND OF 18 APRIL NEXT YEAR (TBC)**

Recent conversations in the parish have highlighted numerous fascinating events and people that underpin what a great village we are privileged to be a part of. The Parish Hall Committee is now looking to collect and share these memories and celebrate both our past and present at a local history event (tentatively scheduled for the weekend of 18th April 2026). We are also hoping to create a lasting legacy by putting together a record of the event/weekend for the Remenham Website so future neighbours will be able to enjoy what we are able to find out.

Remenham has an incredibly rich and varied history including a notation in the Domesday Book; home to royalty; and a hub for agriculture and sports.

Although we are all acquainted with Henley Royal Regatta taking place each year from the banks of our side of the river and the numerous rowing clubs that call Remenham home, we have also housed the Henley swimming baths, a small golf course, tennis courts, the 1908 and 1948 rowing races of the Olympics and to this day the Henley Cricket Club.

We have also had more than our fair share of village hostelries, although the Carpenters Arms, the Two Brewers and Five Horseshoes are now no longer active pubs. Over forty years of the Henley Festival have also created a lasting legacy of fun evenings on our side of the Thames.

Park Place was famously owned by Prince Frederick, Duke of York, as well as being the movie set of the modern adaptation of St Trinian's and there are a significant number of architecturally significant properties for our size. The church has merited special note in many guidebooks for the area.

Agriculture has featured prominently with lavender being grown in significant quantities, nurseries and farms within our boundaries. A school, post office, eccentric characters and village policemen have all played their part in local lore.

In order to refresh our local history and to collect and share more recent interesting reminiscences for our remarkable village we'd like to ask you to search your memories, bottom drawers and attics for anything relating to Remenham.

Perhaps there's a fascinating tale relating to a person or place such as the school (which still operated in living memory), pubs, church or sporting activities?
